The U.S. Forest Service will require hikers to obtain permits to use the Dog Mountain Trail System on weekends from April 20, 2019 to June 16, 2019. The purpose of the permit is to protect public safety by reducing overflow parking along SR-14.

A permit is included free to each individual riding the Dog Mountain shuttle service. A limited number of permits are also available online at [www.recreation.gov](http://www.recreation.gov). Visitors parking at the trailhead are also required to purchase a recreation use pass for the cost of \$5 per vehicle per day.

Dog Mountain is a strenuous hike and no water is available at the trailhead. To ensure a safe and enjoyable hiking experience, carry extra water and food, a map of the area, rain gear and warm layers, and a first aid kit appropriate for your group size.

Dog Mountain Trail System includes Dog Mountain Trail (#147 and #147C), Dog-Augspurter Tie Trail #147A, and the lower portion of Augspurter Trail #4407.

\$2.00 off (with a minimum \$10 purchase) will be offered to Dog Mountain Shuttle riders at the following Stevenson businesses:
